What Should I Expect Today?

By John Andrew, Section Secretary

Well I'm Glad you asked!

At conclave there are so many activities and opportunities you can be a part of throughout the entire weekend. The flagship events you can attend at conclave all have committees that spend an entire year (2 years in this case) preparing to make your conclave experience one of the best. These would be the Field Quest Games, Conclave Trainings, American Indian Activities, full Ceremony Competitions, Drum and Dance Competitions, the Evening Pow-Wow, and the exciting Saturday-Night Show!

The schedule is worked out so that you can go to almost all of these events spread around camp. The Quest Games are your chance to compete against other lodges in field activities. The Ceremony competitions to show off your Native American Walk-and-Talk. The Trainings are a place to learn about the OA and other useful skills (see next article). And the Show is a thrilling way to wrap up conclave, recognize all the competition winners, and present the Section Service Award.

Why Training, and Which Ones?

by Jesse Mullins, Training CVC

Don't miss out on the exciting and useful training opportunities that Conclave has to offer! Every Conclave, our Section puts on Training classes not only to help teach useful skills that can be taken back to your lodges, chapters, and units, but also to demonstrate what training can look like for your Lodge! With fun classes like Wilderness First aid, OA High Adventure, and Leave No Trace seminars, to staple classes like Ceremonies, Elections, and Effective Communication, there's something for everyone, including a Signature Session on membership retention aimed at helping Lodges produce long-term goals for success. Below we will include a full list of the classes offered. We highly encourage each and every participant to pop in for even just a few trainings, which will provide great opportunities for growth. Classes will start at 8:10 am on Saturday! See you there.

JESSE MULLINS

*Of Pellissippi Lodge
Seeking: Section Chief
As a Vigil Honor Member*

I love improv comedy, movies, and scouting! I'm an Eagle Scout from Knoxville, and I'm currently a Sophomore at the University of Alabama. A fun fact about myself is that I know about 95 digits of Pi, which won me a free subway sandwich.

I'm running for office because I'm passionate about the OA, and want to do my best to serve the member lodges, and help the Section grow! I believe together we can plan an incredible Conclave next year that implements ideas for all our Lodges.

JOHN ANDREW S.

*Of Kawida Lodge
Seeking: Section Chief
As a Brotherhood Honor Member*

Hello There! I'm John Andrew, from Kawida Lodge in Blue Grass state. Ever since my first callout ceremony, I've had a burning passion to give all that is in my power to this program that has ended up shaping me into the deliberate and experienced person I am today. Holding the position of Chapter Chief, taught me the fundamentals of the OA, and what's really important: the youth. Serving as Lodge vice chief expanded my capabilities both as a planner and a leader.

And as your current Section Secretary, I've learned the importance of articulate communication, and the important role the Section plays in supporting the pinnacle OA program: the Lodge's. As your section chief, I want to fill that gap, no longer having the section work above you, but beside you. By working directly with you and your officer corp in developing strategies of growth, and sharing all the resources I have to offer not only from lodges within the section, but the national brotherhood we all cheerfully serve.

ELLA BURK

*Of Wa-Hi-Nasa Lodge
Seeking: Section Chief
As a Brotherhood Honor Member*

I'm Ella Burk, and I am currently serving as the 2021 Wa-Hi-Nasa Lodge Chief. As Section Chief, I want to ensure that our Section Leadership works to support the lodge programs and that our lodges work together to build a great Conclave program. Our Section is strongest when our Lodges are strong. Ensuring that Lodges have the resources they need to thrive in inductions and membership activation is imperative. (cont.)

Our Section also shows its strength from a successful Conclave. It takes the perspectives and leaders from across our Section to build a tremendous event. I would like to build a team of strong leaders from across the Section and form a Conclave Planning Committee, with expanded responsibilities to ensure the success of this event. In the 2021-2022 year, we have an opportunity to define what success in our Section looks like, and I believe we can meet the challenge of that opportunity.

NATHAN REDDING

*Of Ittawamba Lodge
Seeking: Section Vice-Chief
As a Vigil Honor Member*

Hello my brothers, my name is Nathan Redding and I am currently serving as your Southern Region Section 6 Vice Chief. I have had an exhilarating time serving you all and I would love to do it again. Currently I am running for the position of Vice Chief yet again, so I thought I should tell you a little bit about myself. I am a freshman at Mississippi State University at which I am studying agronomy.

Also at Mississippi State I am striving to serve as a big part on campus through student office, community service, and extending my hand in friendship to many. With moving forward with my life into college I owe my preparedness to the many attributes I have developed by participating in a multitude of youth organizations. One of these organizations is the Tennessee 4-H. I have been a member of the 4-H for 8 years. I have participated in many competitions and community service activities. Another organization is the National FFA Organization, in which I served as a chapter reporter.

DEACON JONES

Of Nguttitehen Lodge Seeking: Section Secretary As a Vigil Honor Member

Hi my name is Deacon, I'm currently the Lodge Chief of Nguttitehen Lodge. I enjoy stargazing, Kung Fu Panda, and Monkeys. My favorite food is pizza, and my favorite fruit are bananas. However, the two never should be mixed. Outside of Scouting, I'm a senior at Mcracken County High school in Paducah, Kentucky.

I am running for secretary to assist lodges in communications such as gaining a social media presence to help activate members and promote events. I believe the section's first priority is to provide support to the lodges. With that being said, I also plan to ensure effective communications and promotions to make conclave 2022 a success.
