

THE ELOGAMGUSSIT

Volume 6 Issue 3 • Conclave 2015 Sunday Morning Edition

Opening Campfire

by Shannon Harris, Elogamgussit Staff

Friday night's campfire was a really great time! At the beginning, several individuals were introduced. Arrowmen played games such as cup stacking and M&M balancing. We got to watch the original induction video and learn about differences between 1915 and 2015. The campfire was a great kickoff to Conclave 2015!

Quest for the Golden Arrow

by Anthony Johnson, Elogamgussit Staff

We had a spirited Quest competition yesterday!! All of the lodges came out, had a fantastic time, and supported their peers. Everything from the Brown Bag Competition to the Spam Toss was played, and it was a blast! Congratulations to the lodges who won, and congratulations also to everyone who participated.

Arrowmen Enjoy Training

by Zach Long, Elogamgussit Staff

Training at Conclave was a success! There was lots of good discussion about Conclave and the building blocks of the OA. Many Arrowmen commented on the great leadership and teachers of the various classes. Each of them has grown as Scouts, OA members, and leaders, to take us into the future.
