

# THE ELOGAMGUSSIT

Volume 6 Issue 4 • Conclave 2015 Post-Event Edition

## Thank You, Pellissippi!

A huge "Thank You!" is due to Pellissippi Lodge #230, the service lodge for the 2015 Conclave. Arrowmen from Pellissippi worked hard before

and during Conclave, in good weather and rain, to make sure our experience was the best it could be. Thank you, Pellissippi!

## Save the Date!

Go ahead, mark your calendars! The next Conclave will be held on April 15-17, 2016, at the Kia Kima Scout Reservation.

## Conclave Recap

*by Shannon Harris, Elogamgussit Staff*

Conclave 2015 was awesome! Pellissippi did a great job as service lodge, from planning to execution. Camp Buck Toms was a great camp for Conclave, with a huge dining hall and new Adirondacks. Conclave started off on Friday with a campfire to remember. On Saturday, we had some quick breakfast and got straight to our training sessions. After lunch, we had Quest,

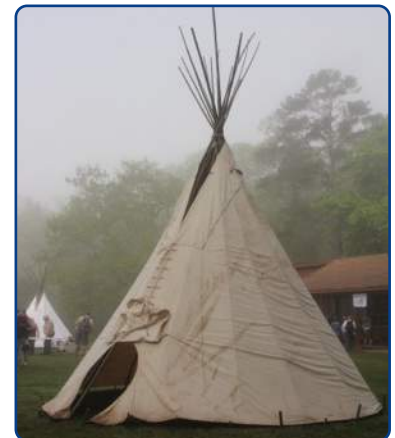

which was a very spirited competition. The Saturday night campfire wrapped up the day with an awards presentation to the lodges around our section. Congratulations to all of the lodges who won different awards! Congratulations also to the new section officers: Hunter Jones, Anthony Johnson, and Harrison Fry!

## Conclave Survey

We need your help! What did you think about this year's Conclave? How can we make next year's Conclave better? Every year, we send out a survey to answer these questions. This is your chance

to provide feedback about Conclave!

The first 100 people to take the survey will get a special patch! Access the survey here: <https://www.surveymonkey.com/s/S5ZYKLF>

# Thoughts From Your New Section Officers

## Chiefly Speaking

Brothers,

First, let me start by saying thank you for making this year's Conclave a success. It is because of you that we are able to be consistently one of the best sections in the Southern Region and even the nation.

Now, looking forward as chief, the first goal will be to work with the other two section officers in order to put together a top-notch

team that will help lead the Section for the next year in the planning process for Conclave 2016. My vision is to start by building a solid foundation for the section that we can then build upon for the remainder of the year.

Also, it is going to be my prerogative to work with each lodge chief in order to ensure that each lodge has the support needed in order to grow and prosper. As I

have said, a section can only be as strong as its lodges.

Again, thank you for your support, and see you next April in Hardy, Arkansas at Camp Kia Kima!

Yours in Cheerful Service,

*Hunter Jones*

2015-2016 SR-6 Chief

## From the Vice Chief

Brothers,

As Section Vice Chief, I have a few goals for the coming year:

First, I want to create a plan involving a back dated calendar for Conclave. One that we can use for Conclave 2016 and hopefully Conclaves to follow. This plan and calendar will help to improve the efficiency and timeliness of Conclave planning. It will allow for promotional materials to go out sooner, and allow lodges to plan for Conclave earlier.

Second, I want to increase and build our section trading

post. Once a year we get together and have the opportunity to buy items with the section logo on it, and I want to see this grow from the stock that we have currently. We have some much potential that we have yet to achieve.

Finally, I want to improve communication among the section. I want to see an almost "free atmosphere" among the Section. This would allow the lodges, and the section to communicate more effectively.

I will work with the other Section Officers, the Lodge Chiefs, and the Conclave

Chairmen to help realize all of these goals. With these goals and a cohesive planning team we will be able to offer each of you the best program we can, and be able to have the best 101<sup>st</sup> anniversary Conclave that we can.

Remember, 100 years ago, it started with them. Now, *It Starts With Us!*

Yours in WWW,

*Anthony Johnson*

2015-2016 SR-6 Vice Chief

## From the Secretary

My Fellow Arrowmen:

It is with a great deal of humility and integrity that I will be stepping up to serve as Section Secretary this year. In filling this position, I hope to bring forward the best information and ideas for you, our members, through a series of communications. I hope to build upon our already-great assets, like the Elogamgussit, section website, and all of our social media platforms.

As an officer, I hope to bring new ideas to the table, to improve our programs for Arrowmen all across the section. Working with Hunter, Anthony, our advisers, and a communications team made up of Arrowmen from all nine lodges, I hope to make this an excellent year for our section.

If you feel interested in assisting with our section's publications and

communications efforts this year, please contact me at [secretary@oasection6.org](mailto:secretary@oasection6.org). Thank you for trusting me in this position for the 2015-2016 term. I look forward to working with all of you through the year!

Cordially,

*Harrison Fry*

2015-2016 SR-6 Secretary

## Section Adviser's Minute

Dear Brothers,

As we close the book on the Centennial SR-6 Conclave, I look forward to the opportunities that lie ahead in the future. Please make plans to attend an ArrowTour stop this summer and to attend the 2016 Conclave at Kia Kima. The newly elected Section Officers are already working diligently to start recruiting the youth chairman for next year's event. Don't be a spectator at next year's

Conclave. Get involved! The more people we have get involved with next year's program, the more opportunities to further the youth development of this great Section. There are opportunities all around you to serve others.

This year has been a major time of reflection on our proud OA and Section history. Let us all strive to rekindle our cheerful spirit and build upon the memories and lessons of

today so that our future chapters are even brighter!

In closing, I ask that you ponder this quote:

**Do your duty and a little more and the future will take care of itself.** –Andrew Carnegie
