Quiver Spotlight

Patrick Homan

Newly elected Section Vice Chief Patrick Homan (who is also the Chicksa Lodge Chief) sat down with Roderick McDaniel to answer some questions about the OA and his experiences .

How do you feel to be a lodge officer? What do you find most exciting about the role?

It feels great to be a role model for the younger Scouts. The most exciting part is meeting the new Arrowmen everywhere I go.

What are you most looking forward to?

Large OA events, Conclave and National Order of the Arrow Conference. I love being around hundreds and thousands of my fellow Arrowmen and seeing the things that we can accomplish when we

come together.

What makes you proudest to be an Arrowman?

When I do an orientation for new Arrowmen and see the way they look at me after the film and slideshow of what my lodge, and the OA nationwide, accomplish each year. They are hooked after they find out what type of people and the things we do each year from service projects to Fellowship.

Pellissippi Lodge Report

Devin Stephens

The Pellissippi Lodge just had our Fall Fellowship at Camp Pellissippi. There were about 150 people ate Supper Saturday night, and our council Scout Executive came and eat with us. Later that night he also attended the campfire and even lit the fire, but only 80 stayed over night.

On Saturday, we had great quest events. We also held a LLD training, many of our lodge members got some great training. With all the fun we had we still serve, we worked on hiking trails at Camp Pellissippi. After all that we had our lodge elections. Ben Winder was

re-elected Chief of our Lodge. Devin Stephens and Sean McCabe were elected Lodge Vice-chiefs, James Templin is our new Treasurer and Even Frisco was selected as Secretary. Congratulations to you all and I am sure you will do a great job.

This event was a big success and I would like to thank all of those who attended.

One Day of Service - Service: Its What We Do

Roderick McDaniel

How to get Started:

Lodge Coordinator: Appoint a Lodge One Day Coordinator and send his name, address, and telephone number to your Section Coordinator! The Lodge Coordinator can be a Lodge Officer or any other responsible youth from your Lodge. He will spearhead your Lodge's One Day promotion and organization efforts so be sure to appoint a reliable youth.

Choose a project: With the help of your LEC and Lodge Adviser, select a service project to benefit the community in which your lodge members live. A firm project should be decided upon no later than mid-July to ensure prior proper planning and promotion.

Promotion: The easiest way to inform your Lodge members of the One Day program and get them excited about it are promotions at your Fellowships and ads in your Lodge publications. Short promotions at Lodge business and LEC meetings are easy, but definitely necessary. Also, include information in your Council newsletter, if you can, to set the example for everyone in the Council. Your Lodge should begin planning now! Remember, we want to perform community service projects – not service to a Scout camp.

The Editor's Approach

Roderick McDaniel

We have some new approaches in the Section Newsletter! The purpose of the newsletter is to make the reader aware of key issues, knowledge and information related to Section SR6N, and to strengthen communication links within the Section's Lodges and Chapters. The vision is that Lodges will share information, and then other Lodges will use the information as a resource tool. My goals for **The Quiver** are to get at least one issue mailed to the key 3 of every lodge, to use it as a communication and promotional tool and to publish at least 5 issues of The Quiver.

The purpose of the **Quiver Spotlight** is to let the Section and Lodge Leaders share information on their Order of the Arrow career, and to get their ideas on many different subjects. **Lodge Reports** are provided to make Lodges in our Section aware of service provided by other Lodges in the Section. **Next Events** are listed to promote other Lodge's events and to communicate the types of activities

our Lodges hold across the Section. All these features let you see how other Lodges function in ways that may be different from what happens in your Lodge.

This year has already started off in our Section with a bang! We have a new website design. This is the third issue of **The Quiver**. Traditionally each section will publish three newsletters per year. If we continue in this direction, we will publish at least 6 newsletters during my term. Hopefully **The Quiver** has been very helpful to you. If you would like to see something different or have new ideas, we are open to new things.

We hope that as this year progresses we can continue the growth and promotion of Section SR6N.

About The Quiver

Roderick McDaniel

This is the third edition of the **The Quiver** in 2005. The Section 6N Newsletter is for lodge leadership. **The Quiver** will be sent out at least three times this year, and will provide valuable information for lodges about other lodge's events, Conclave and other Order of the Arrow programs. If you would like to submit an article to **The Quiver** please contact Section Secretary Roderick McDaniel at secretary@sr6n.info

What final words of advice would you like to share?

I want to encourage every new Arrowman to find their niche in the OA. There is something for everyone. To the older members, I encourage you to expand your own OA experiences by trying something new.

Chiefly Speaking

Peter Capp

Brothers,
We are laying the foundation for becoming one of the greatest Sections in the region. Our website is in the best shape it has ever been in and getting the Quiver out on a regular basis has allowed us to communicate on a level we never even dreamed of before. Special thanks to Roderick McDaniel and his adviser Steve Clothier for their persistent effort in making our publications outstanding. Also, the Section Assistance team is ready to have a great year under the leadership of our Section Vice-Chief Patrick Homan.

Mark your calendars for October 22nd because One Day of Service will be taking place all over the country. This is a great way for new Arrowmen to see what our organization is all about and it is also a great way for older scouts to feel great about lending a hand and pitching in to help their communi-

ties. Please let your troops know that this event is not limited to the Order of the Arrow but all Scouts are welcome to help serve their fellow man. Roderick McDaniel will have information on the section web site www.Sr6n.info very soon.

Another award, the Leadership Service Award, is given to those who serve their lodge and their communities as well. Just like the Arrowman Service Award, this will only be available for three years. I encourage everyone to become active in these or other of the OA's or Scouting's programs. They are great ways to serve, learn scouting skills and enjoy fellowship with your brothers. I hope everyone had a great summer and please feel free to contact me at chief@sr6n.info if you need anything.

Yours in Service,

Peter Capp

Kawida Lodge Report

Todd Watts

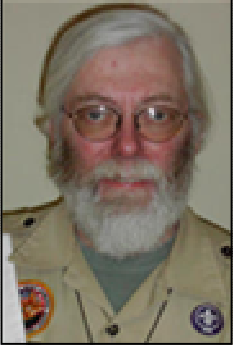

It has been an exciting summer for Kawida Lodge. We recently held our second of three ordeals, where we inducted 45 new members. This Fall, Kawida's Service Corps will kickoff its *Servant Leadership Tour*, providing service to many of the Blue Grass Council's events, including a slew of Fall Camporees, Wood Badge and Webelos Woods. We are very excited about this awesome opportunity. Kawida Lodge is also happy to announce its new

Lodge Adviser, Mr. Tom Fielder. Mr. Fielder was the 1969 National OA Chief and all of us in Kawida Lodge are looking forward to great things in the upcoming year and beyond.

Adviser's Minute

Don Lee

"A sense of adventure! It pays such dividends in life - the more so when life closes in on one. It is not the possession of the rich or the carefree, alone. It is available to all who will pursue it. It "Polishes up the handles on the big front door" of every day living. Help yourself to adventure." E. Urner Goodman

These words from the founder of the Order of the Arrow ring true to all that have experienced high adventure at a National or World Jamboree, NOAC, Philmont Trek, Wilderness Voyage, OA Ocean Adventure, or a trip to Philmont, Northern Tier or Sea Base. Have you made plans for 2006? If not, now is the time. You can sign up for Philmont Trek, Wilderness Voyage, or OA Ocean Adventure for 2006 now at www.oa-bsa.org. Your Lodge is making preparations to attend NOAC next summer at Michigan State University, and you can sign up now. There is always the possibility of serving on summer camp staff at your council camp. While serving on summer camp staff may not be considered high adventure by some, there is plenty of adventure to be found while serving on camp staff. There also is an opportunity to sign up for the World Jamboree in 2007 at London, England, which will celebrate the 100th year of the founding of Boy Scouts. Follow the words of the founder and make adventure part of your planning for 2006 and beyond.

Another important consideration in planning for next year is your plan for participation in the Order of the Arrow. I have never heard of a Chapter or Lodge that has too many Arrowmen wanting to be of service. Through service to the Order we all develop a greater understanding of the meaning of the obligation that we all have taken. In addition to your Chapter and the Lodge, there are also many opportunities to be of

service to the Section in preparation for Conclave 2006. Talk to your Lodge Chief and he can certainly put you in touch with the right Arrowmen for you to be involved in making Conclave 2006 happen. You also have the opportunity to become involved in NOAC 2006. Again, talk to your Lodge Chief and he can help you.

With this smorgasbord of opportunities for next year, make some plans for adventure and make adventure a part of your 2006. In so doing, the true meaning of "Wimachtendienk" will be your reward.

"And so I like to think of the Order today as the arrow head, in America, of that larger brotherhood - the world brotherhood of Scouting. What a marvelous thing that wider brotherhood has become! When one has traveled around the world, as I have done, its extent and its depth warm the heart." E. Urner Goodman
